

## Heading south – Experience the Canaries by hired car

Hamburg, 01.02.2010 – carhiremarket.com, the car hire price comparison website, reduces its prices for hired cars in the Canary Islands due to its latest Weekly Special.

The new Weekly Special from carhiremarket.com reduces its prices for hired cars in the Canaries. The cheap hired cars are available right after arrival at the Canary Islands at the airport stations. The supplier Hertz Canarias also operates pick-up locations downtown. In Gran Canaria the customers can choose out of 5 pick-up stations allowing them to choose the most convenient way to travel the island on their own.

Because it gets quite warm in February most hired cars are equipped with air conditioning. It is relaxing to do a roundtrip and visit sights or to take a trip to a secluded beach. A hired car offers the independency to plan the holiday individually and there is no need to stick to a tight timetable. Customers can create their leisure time based on their own expectations.

The latest Weekly Special is valid for all hired cars which are reserved with the supplier Hertz Canarias within this week (01.02. – 07.02.) and are picked up between the 8th of February and the 26th of February.

A hired car like the Volkswagen Fox is available from £17 a day (when booked for one week) where the Airport Service Charge is included.
