

## Weekly Special offers cheap prices for hired cars on Tenerife

Hamburg, 04.01.2010 – MicronNexus GmbH, owner of the car hire price comparison website, carhiremarket.com, reduces its prices for hired cars on Tenerife

Like every Monday, today the newest Weekly Special will be released. This week customers will receive fantastic reduced prices for hired cars in Tenerife. This island is ideal for roundtrips with hired cars because its roads are in good condition and the distances are small.

A day would be enough to take a trip with the hired car. The possibilities are not limited as Tenerife offers a great variety of leisure activities. This is due to its warm weather which is usual for January; outdoor activities are a good way to spend leisure time. A visit to the Teide National Park is a highlight of each holiday in Tenerife, and on a really sunny day carhiremarket.com advises a trip to a lonely beach far away from popular tourist destinations.

This Weekly Special can be booked until the 10th of January on carhiremarket.com. It is valid for all hire cars reserved with the supplier Record Rent a Car for pick-ups within January.

A Chevrolet Matiz or equivalent hired car is available from £15 per day (when booked for one week) including all taxes, an additional driver and with no excess.
