

## Race for hired cars to the Olympic Games

At the 02-12-2010, the Olympic Games in Vancouver will finally start! If you have the opportunity to be there, you should hurry to book a hired car. The rental car demand will be especially high at the two venues Vancouver and Whistler.

For two weeks, the Canadian cities will act as scenes for ski slalom, biathlon, hockey and ski jumping. Not only from Canada, will visitors come in droves to the cities of Vancouver and Whistler that are situated in a distance of ca. 130 km. Many European fans of winter sports, especially those from the U.K., will travel to Canada to witness the Olympic Games 2010.

The online price comparison for hired cars, carhiremarket.com, advises to book a rental car now. As on the one hand, the demand for hired cars will be extraordinarily high during this period, and on the other hand existing offers will become more expensive day by day. Certainly, carhiremarket.com can offer lower prices than other portals due to its large contingent of partners and exclusively negotiated conditions. But still, clients have to face prices of ca. £24 (£'s) per day – which is more than usual. And the closer the Olympic Games get, the shorter the offers become and the more expensive rental cars will be.

You can still find offers and how much they are, on carhiremarket.com. Further information can be received on the free carhiremarket.com-hotline: 0800 098 82 20.
