Survive the British winter by escaping it and head to Cyprus! This weekly special by carhiremarket.com takes you to the wonderful warm island of Cyprus where the weather remains a comfortable 28°C, even in October. To explore this island, there is no better way than in a hired car which now comes with a great discount! All bookings for all car categories made before 31.10.2010 with SIXT Cyprus will get 10% off.

Cyprus is considered the evergreen island in the Mediterranean and is especially worth a visit in winter while the majority of tourists have gone home but the weather is still beautiful and warm. Next to the much needed sun, rest, and relaxation which is not easily found during October, a personalised tour of the island in a hired car should not be overlooked. If you can manage to drag yourself away from the beach, you will find an island that is a cultural mix between Europe and Asia which leads to a magnificent result. In addition to this, the island of Aphrodite is the home of the gorgeous Troödos mountains and the Karpas Peninsula – one of the natural paradises remaining on the island.

To visit these great places and many more, take advantage of this early bird special and receive a 10% discount with SIXT Cyprus!

In Cyprus, you can hold onto summer for a little bit longer and enjoy everything the island has to offer. So book this weekly special before 31.10.2010 for the pick-up period 01.11.2010 to 31.03.2011 and remember: Just as the early bird gets the worm, the early booker gets the 10% discount!
