

Majorca Special – 3 Day Car Hire for the Price of 2

If you are planning a short holiday to Majorca this spring, this car hire special could not have come at a better time. This exclusive special by carhiremarket.com is offering a three day car hire for the price of two days. On top of this, the first additional driver is free. Unfortunately this deal cannot be connected to longer bookings, and thus is perfect for those looking for a weekend getaway.

With an average spring temperature of 15°C and ideally located just two hours from the UK, this island is just as perfect for a week holiday as it is for a quick weekend escape. Once landed you will soon discover the wonderful scenery, beaches and tourist attractions that this amazing island has to offer.

A good journey with a rental car is to head from the capital, Palma, to the mountain region of Serra de Tramuntana. The journey itself will take just over an hour and will transport you from the populated city to the incredible countryside of Majorca. There you will find a beautiful part of the island full of olive trees, quaint villages and stunning views.

Alternatively, you can simply drive around the incredible capital of Majorca. One of the most famous landmarks in Palma is the "La Seu", also known as Palma Cathedral. This is a great place to escape the heat of the Balearic sun and offers a breathtaking ceiling. Other nice places to visit include the Bellver Castle that is located out of town but can easily be reached with a hired

car, and the Palace of La Almudaina, which provides great panoramic views of the city down below.

If you spend a few days this spring in Majorca and would like to use the time to explore the island, this special cannot be overlooked. For a three day rental only two days need to be paid. As well as this, the first additional driver is free. This car hire special can be booked now until 31.03.2011 for the rental period 21/02/2011 to 30/04/2011.
