

Travelling Thailand by hired car

Hamburg, 14.12.2009 – MicronNexus GmbH, owner of the car hire price comparison website, www.carhiremarket.com, offers cheap prices for hire cars in Thailand

Thailand is an attractive destination during Christmas and New Year. The climate is comfortably warm and there are only a few rainy days in December and January. carhiremarket.com offers cheap prices for hired cars in Thailand.

Because Thailand has a good road network it is well suited for trips with a hired car. As the pick-up stations are widely located, customers can choose between many stations downtown or at airports, for example between the airport in Bangkok or Phuket. This enables customers to start their vacation directly after arriving in Thailand.

Even though the beautiful beaches in Thailand invite visitors to linger, there is much more Thailand has to offer. There are many cultural sights throughout the country. An example of a great destination for an excursion is the ruins of Sukhothai which belong to the UNESCO World Heritage. Another worthwhile excursion destination is located north of Bangkok, in Ayutthaya. This historical highlight accommodates old temples and the national museum.

This Weekly Special can be booked on carhiremarket.com until the 20th of December. It is valid with the supplier Thai Cars for rentals which account for 3 to 5 days and are picked up after the 20th of December. A hired car in the economy-category is available from £23 per day (when booked for 5 days) including all taxes, insurances and unlimited mileage.
