

Discover Cyprus with a hire car at your leisure

Hamburg, 19.10.2009 – MicronNexus GmbH, owner of the car hire price comparison website, carhiremarket.com, offers permanent cheaper prices for a hire car in Cyprus

Cyprus is frequently called the "Sunny Island". This is no surprise as the small island in the Mediterranean has mild weather all year long with very few rainy days. This is why Cyprus is such a popular holiday destination and is so suitable for a hire car.

From National parks to Monasteries, Cyprus has everything that tourists could ask for. Also its streets are built well and are not too far apart. Therefore a hire car is exactly the right transport to stay flexible and discover the island at your leisure. Even for fans of winter sports, Cyprus is a great destination as there is a ski area at the Trodoos Mountains. The season runs between December and March and despite its small area it is still popular amongst tourists.

From now on customers can book a hire car for permanent cheaper prices on carhiremarket.com when booking an offer from the supplier Sixt Cyprus. Customers can choose between several stations and can pick the most suitable one to use the hire car most comfortably and without much effort.

A Suzuki Alto or similar hire car is available from £16 per day (when booked for one week) including all taxes and insurances as well as an additional driver.
